FOTA — MOBILE CONFERENCE
TABLES THAT TRANSFORM THE
MEETING SPACE IN A FEW
MOMENTS.

COLLECTION OVERVIEW

Light form, thoughtful functionality

The **FOTA** collection is a range of mobile conference tables designed with flexible space organization in mind.

The lift-up tabletop, which can be positioned vertically, makes it easy to quickly fold and store the tables, increasing the functionality of the room.

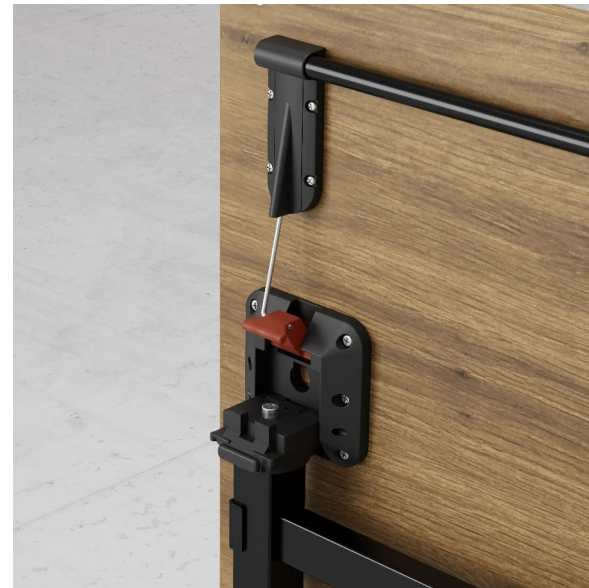

This solution works particularly well where a single space must serve multiple different functions throughout the day.

FOTA supports meeting comfort and helps create a modern, organized work environment.
